# The Beatles - Here Comes the Sun

Here comes the sun, doo-doo-doo-doo  
Here comes the sun, and I say - It's alright

Little darlin', it's been a long, cold, lonely winter  
Little darlin', it feels like years since it's been here

Here comes the sun, doo-doo-doo-doo  
Here comes the sun, and I say - It's alright

Little darlin', the smile's returning to their faces  
Little darlin', it seems like years since it's been here

Here comes the sun  
Here comes the sun, and I say - It's alright  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes  
Sun, sun, sun, here it comes

Little darlin', I feel that ice is slowly  
melting  
Little darlin', it seems like years since it's  
been clear

Here comes the sun, doo-doo-doo-doo  
Here comes the sun, and I say - It's  
alright

Here comes the sun, doo-doo-doo-doo  
Here comes the sun  
It's alright, it's alright
