

WELCOME TO ORIENTATION EVENING

UPPER SECONDARY/GYMNASIUM

The Beatles - Here Comes the Sun

Here comes the sun, doo-doo-doo-doo
Here comes the sun, and I say - It's alright

Little darlin', it's been a long, cold, lonely winter
Little darlin', it feels like years since it's been here

Here comes the sun, doo-doo-doo-doo
Here comes the sun, and I say - It's alright

Little darlin', the smile's returning to their faces
Little darlin', it seems like years since it's been here

Here comes the sun
Here comes the sun, and I say - It's alright
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darlin', I feel that ice is slowly
melting
Little darlin', it seems like years since it's
been clear

Here comes the sun, doo-doo-doo-doo
Here comes the sun, and I say - It's
alright

Here comes the sun, doo-doo-doo-doo
Here comes the sun
It's alright, it's alright

European School Copenhagen

- Offers the EB – equal to STX and other gymnasiale uddannelser in DK – EB curriculum
- Tuition free public school under Copenhagen Municipality
- ESCPH founded 2014 – at Carlsberg since 2018 - First baccalaureate students summer 2023
- International European School System based in Bruxelles
- European School Copenhagen is an accredited school - Currently 31 European Schools in different countries in Europe – increasing every year
- European School Copenhagen follows Danish well-being traditions for students' evaluation of teaching and democratic development of the school – extracurricular activities and school clubs and committees

Languages and different cultures at ESCPH

- There are many 😊
- You have a first language (L1) - your mother tongue or a language you speak fluently - either Danish, English or French
- You have English, French or German as your second language (L2) - and you will have tuition in Geography and History in L2
- You can choose Danish, English, French or German as your third language (L3)
- Elective subjects can be taught in English
- Teachers can be international/European or Danish and many are native speakers in the language they teach in.
- Pedagogy is built on Danish, French, British, German tradition with a focus on growth mindset and feedback on learning progression
- To get into Danish Universities you need Danish and English at certain levels ask for more guidance in room 315

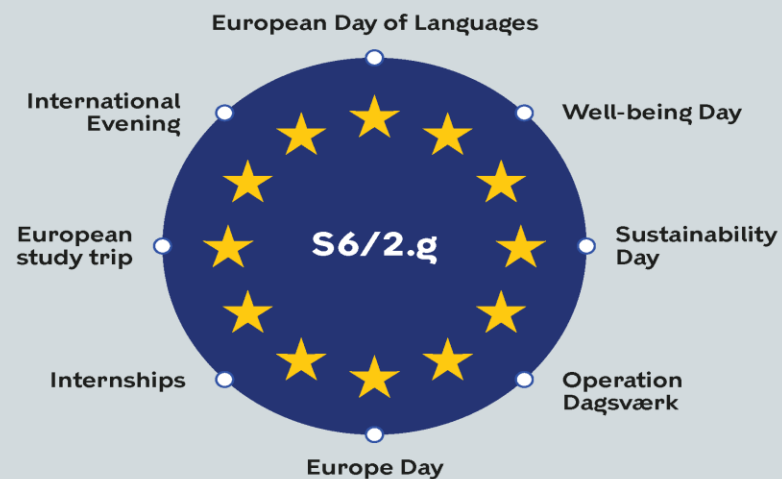

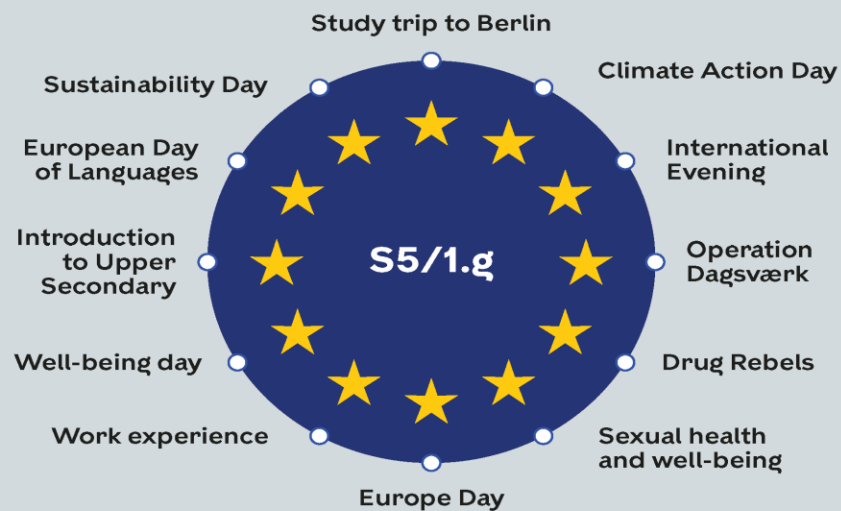

Academic Structure and well-being at ESCPH

- S5 is equivalent to 1g in Danish Gymnasium – introduction trip to Berlin, Study buddies, mobility program an option – there is no Grundforløb
- S6+S7 are equivalent to 2g+3g in Danish Gymnasium – more elective subjects than in S5 – same subjects throughout the two years, study trip in S6
- Mandatory subjects include L1, L2, Math, Physical Education, Religious Studies, Philosophy, History and Geography.
- Only S7 grades are included in the Baccalaureate exam – S5+S6 are trial years
- Support in study cafes throughout the three years
- Study Counsellors as at Danish Gymnasiums and SPS support if you have the need (for students with different diagnoses)

European Education

Multiple options from S6

Advanced Science	Languages	Creative	Social sciences	Individually mixed

Geography standard	Geography standard	Geography advanced	Political Science	Geography standard
Philosophy standard	Philosophy standard	Philosophy standard	Economics	Philosophy standard
	Language 5 Chinese	Drama and Theatre		

European School Copenhagen values

European Schools grew out from the horrors of WW2. The aim of the ES system: through languages and knowledge of other cultures' geography and history an understanding of diversity is created.

Strong academic focus on languages, science through cultural understanding and collaboration

RESPECT

We respect ourselves, each other and our environment.

COMMITMENT

We are committed to achieving our goals and overcoming our challenges.

COLLABORATION

We understand the value of working together and supporting each other.

RESPONSIBILITY

We take ownership of our own learning and actions.

CURIOSITY

We approach learning with an open and inquisitive mind and are interested in other cultures and ways of life.

EMPATHY

We show empathy and kindness towards each other and care about the greater world.

What to expect?

- High pedagogical and academic international standard
- Strong language abilities
- Collaboration with students and teachers about development of the school
- Exams, evaluation and continuous feedback
- Requires commitment, curiosity and responsibility

Admission

- **Optagelse.dk - opens 15th of January.** In Optagelse.dk: *Internationale skoler + European Baccalaureate*
